**2020  
GEWÜRZTRAMINER**

## HARVEST NOTES

Our Gewurztraminer comes from the South Okanagan. This sun-soaked fruit, rooted in the heart of Oliver, was blessed with just the right amount of heat from bloom straight through to harvest. The 2020 growing season was incredible and the beautiful weather at harvest gave us the flexibility to harvest on our own terms.

## WINEMAKER'S NOTES

Did you know that there are only about 35,000 acres of Gewürztraminer in the world? That may sound like a lot but compare it to the nearly 500,000 acres of Chardonnay and suddenly the scale has been tipped. Add to that, the fact that we only made 75 cases of this 2019 vintage and you've got yourself something pretty special. This off-dry wine is bursting with aromatics and begging for a hot summer day. If you love spice-driven dishes like Thai or Indian cuisine, you'll find Gewürztraminer to be a perfect match

## TASTING NOTES

Prominent aromas of lychee and floral notes rise from the glass. Each sip will have you picking up new flavours like honey, mango and lemon. Enjoy this wine with a traditional pairing of Thai peanut rolls, or go outside of the box and try it with mango gelato (local Kelowna shop QB Gelato never disappoints) or cardamom creme brulee. You can't Gew wrong!

## OUR STORY

We are a family-owned and operated winery nestled in the hills of West Kelowna. Award-winning winemaker, James Schlosser was born and raised in West Kelowna and has been consistently producing complex, aromatic wines that showcase the nuances of the North Okanagan for more than 15 years. The combination of homegrown, handmade wines paired with a limited, high-quality production makes our wines both sought after and hard to get your hands on.
